

# Clinical Pastoral Education

*at OhioHealth*

## Intern Units:

In our intern units, students can earn credit for one 400-hour unit of CPE.

### ***Summer Intensive\****

The summer intensive program, is an 11-week, full time CPE unit that usually starts at the end of May. The CPE peer group meets for a total of eight hours a week. Placements are available in Marion and Mansfield Hospitals or in our Central Ohio Hospital settings. Tuition is \$750.

### ***Extended\****

In our extended CPE units, students may do their clinical work either at one of our hospitals, or in a community-based ministry setting that meets clinical requirements.

### Six-month extended units (October through April)

Students enrolled in our six-month extended CPE program will meet with their CPE peer group for five hours, one day a week. During their CPE hours, students are expected to provide at least 12 hours of pastoral care to patients, families and staff of their clinical placements. Tuition is \$750 for students with an OhioHealth clinical placement, or \$1,500 if students do their clinical work in community or congregational settings. Placements are available in Marion and Mansfield Hospitals or in our Central Ohio Hospital settings.

For an application, exact dates and further information about OhioHealth CPE programs visit [www.ohiohealth.com/education/clinical-pastoral-education/](http://www.ohiohealth.com/education/clinical-pastoral-education/) or contact Calli Muhoberac, CPE Administrative Specialist at (614) 788-0217 or [Clinical-Pastoral-Education@ohiohealth.com](mailto:Clinical-Pastoral-Education@ohiohealth.com).
